Can you help by finding the correct way out?

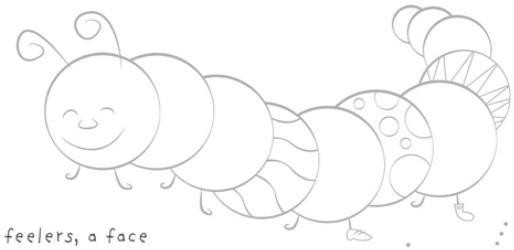

How to draw a

Caterpillar

1 Draw a circle

2 Draw a semicircle next to your circle

3 Repeat until your caterpillar is long enough, drawing smaller semicircles as you get to the tail!

4 Add feelers, a face & feet to complete!

Jazz it up with funky patterns & socks

Try drawing your own!

Colour in your favourite vegetables!

Every family has a story...

Welcome to ours

All week Mr & Mrs B worked hard with their Forever Friends but at the weekend, without fail, they relaxed at The Bath Priory, creating many happy memories.

Such moments led to them buying the hotel, and over the years a few more, all in beautiful locations, all original and quirky in their own way from old Manor Houses, a Mill and even a Castle!

Their adventure, which began with that 'home from home' time at The Bath Priory, still exists for you today in all our hotels, where our teams provide that Forever Friends experience.
